(2) Reduced absorption of North Gujarat crude by Koyali refinery, due to LSHS disposal problems

(3) Occurance of floods and water logging in Gujarat

(4) Three day strike by officers of the oil sector

(5) Closing of wells due to High Gas Oil ratios in Gujarat.

(6) Delay in development of the Ravva offshore field

Inclusion of Hazardous Drugs in the List of Essential Drugs

*148. SHRI KRISHNA KUMAR BIRLA Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state.

(a) whether Government's attention has been drawn to the news-item which appeared in the 'Indian Express' dated 28th October, 1990, regarding inclusion of hazardous drugs in the list of essential drugs drawn up by his Ministry; and

(b) if so, what are the details thereof stating the reasons for including such hazardous drugs in the list of essential drugs?

THE MINISTER OF HEALTH AND FAMILY WELFARE (PROF. SHAKEELUR REHMAN) (a) A list of essential drugs was compiled in consultation with medical experts belonging to different specialities The object of compiling this list was to ensure that these medicines are always available in plenty in the market and there are no shortages

The list contains drugs like Deiodohydroxyquinoline (Enteroquinol), Analgin and Oxyphenbutazone, which were reported to be withdrawn in some countries and which have been mentioned in the report that appeared in the 'Indian Express' dated 28-10-1990

Experts and expert bodies had opined that these drugs are very essential for treatment of diarrhoea, for allaping pain, and for treatment of ankylosing spondylitis and gouty arthritis respectively

भारत में "डेल्टा एयर सर्विस" के आरम्भ किये जाने का प्रस्ताव

*149. **कुमारी चन्द्रिका प्रेमजी केनिया :**
श्रीमती सूर्यकांता पाटील :

क्या **नागर विमानन** मन्त्री यह बताने की कृपा करेंगे कि .

(क) क्या सरकार एक अमरीकी विमान कम्पनी "डेल्टा एयर सर्विस", को भारत मे विमान सेवाए आरभ करने की अनुमति देने पर विचार कर रही हे ; और

(ख) यदि हा, तो उसका ब्यौरा क्या है और ऐसी अनुमति दिये जाने का क्या औचित्य है ?

नागर विमानन मंत्रालय में राज्य मंत्री (श्री हरमोहन धवन) : (क) और (ख) "डेल्टा एयर सर्विस" नामक कोई अमरीकी विमान कम्पनी नही है । तथापि, डैल्टा एयरलाइन्स नामक एक अमरीकी कैरियर है । सरकार के पास इस बात की कोई जानकारी नही है कि वे भारत के लिए परिचालन करना चाहते है ।

Prices of Formulations

*150 SHRI RAJNI RANJAN SAHU:
CHOWDHARY RAM SEWAK:

Will the Minister of PETROLEUM AND CHEMICALS be pleased to refer to Unstarred Question 2255 given in the Rajya Sabha on the 27th August, 1990 and state:

(a) what are the prices of Ampicillin Trihydrate, Metronidazole, Analgin, Ampicillin Anhydrous, Cephalexin taken while fixing the prices of finished medicines based on these drugs;

(b) what are the details of strength and packs of medicines for which ceiling prices were fixed and what was the date of each price fixation;

(c) when were the prices of bulk drugs notified; and

(d) wehn did BICP send the recommendations for the price fixation of these bulk drugs?

THE MINISTER OF PETROLEUM AND CHEMICALS AND PARLIAMENTARY AFFAIRS (SHRI SATYA PRAKASH MALAVIYA): (a) and (b) A Statement giving the details is attached. (*See* below)

(c) Prices of bulk drugs were last notified on the dates indicated against each:

1. Ampicillin Trihydrate. . 21-3-1989
2. Ampicillin Anhydrous 21-3-1989
3. Metronidazole 9-9-1988
4. Analgin 1-6-1990
5. Cephalexin 6-9-1989

(d) Cost study in respect of Metronidazole is at the advance stage of consideration by the BICP and the price of this drug would be revised as soon as the report of the BICP is received. BICP report in respect of Analgin has been received recently and price of drug would be revised after consideration of this report. The question of revising the prices of other bulk drugs on a *suo-moto* basis is also receiving attention as in the absence of any details from the manufacturers, BICP have not been able to conduct cost-*cum*-technical study in respect of these drugs.

Statement

Formulations and their prices

Ban on Open Cast Mining in Raniganj Coalfields

*151. SHRI GURUDAS DAS GUPTA: Will the Minister of ENERGY be pleased to state:

(a) whether the West Bengal Government has demanded a ban on open cast mining in Raniganj coalfields in view of environmental pollution; and

(b) if so, the action taken by Government thereto?

THE MINISTER OF ENERGY (SHRI KALYAN SINGH KALVI) (a) and (b) The Government of West Bengal had expressed concern about environmental degradation due to both opencast and underground mining in Raniganj coalfields Inviting attention to the hazards of opencast they had suggested prohibition of open cast mining in location having built up areas and on agricultural lands. It was also suggested that if opencast mines are to be operated in such areas in exceptional cases, strict guidelines should be laid down to govern such operations. The Government of West Bengal also emphasised on measures for restoration and reclamation of land affected by coal mining operations in the area

The main problem is that of subsidence of land in Raniganj coalfield on account of unscientific mining carried out under shallow cover during the prenationalisation period. There is already a very high degree of concern and awareness for environmental protection, land reclamation etc. in the coal sector. The choice of opencast method of mining is dictated by techno-economic factors and geo-mining conditions Although, opencast mining causes certain amount of degradation of land, with the implementation of measures like land reclamation, environmental protection improvement to a significant extent can be achieved In order to achieve this objective detailed Environmental Management Plan are prepared for coal projects and adequate funds are provided before projects are approved by the Government Simultaneously, in relation to the question of restoration of abandoned coal mines the Ministry of Environment and Forests had set up an Expert Committee which has made certain suggestions for cost effective methods for restoration of abandoned coal mines in ECL and other areas These suggestions are also meant for progressive implementation
